TO SCHOOLS WORKSHOP APPLICANT:

ARCHITECTURE SCHOOLS WORKSHOP 11th and 12th July 2018

Thank you for interest in attending the Schools Workshop at the School of Architecture UCT. We are very excited about your interest in pursuing study in the field of Architecture and the Built Environment.

The 2 day workshop has two main purposes:

1. To give interested scholars an opportunity to have insight into the world of Architecture and the Built Environment (this includes lectures, information sessions and lectures by past and present students and Architects);
2. To assist interested scholars with the application process, specifically with regard to the *Portfolio of Work*. The portfolio forms part of the application requirements for the undergraduate Bachelor of Architectural Studies (BAS) degree in 2019.

The workshop is funded by the University in order that Learners accepted for the workshop should bear no costs. Students do however need to find their own transport to and from the University each day, and will need to bring their own food and drinks.

The process of application for the workshop:

YOU NEED TO SEND US TWO THINGS:

1. A completed **Application Form**
2. Your latest **mark schedule** (report) – all subjects and all your marks for them from your most recent report.

Forward these to us at *fax number* (021) 650-2383 or *e-mail* nanette.pickover@uct.ac.za by no later than the **8th June 2018, 3pm**.

LOOKING FORWARD TO MEETING YOU!
